

# EMS Continuing Education Day

Calling all EMS Providers! Join us for a day of learning to earn CE credits! Hosted by Trauma Services at Carilion Clinic in collaboration with the WVEMS Council, this event will provide continuing education credits for EMS personnel through presentations from experienced local emergency services providers.

Topics include EKG Interpretation, Extremity Trauma and Splinting, OB Trauma/Emergencies, Toxicology, Geriatric Trauma, Pediatric MCI, Airway Management, and much more!

**Lunch and snacks will be provided!**

Check-in starts at 8:00am, and lectures begin at 8:30am. Register at <https://western.vaems.org> or use the QR code.
