

Emergency Services

at Jefferson College
of Health Sciences

Starting March 23, 2018 Intermediate to Paramedic Bridge Program

This course is intended to provide the education necessary for the currently certified Emergency Medical Technician - Intermediate (EMT-I) to become a Nationally Certified Paramedic (NRP). The EMT-I to Paramedic Program is designed to certify the technician to the highest level of pre-hospital advanced life support care available in Virginia. This program fulfills all the requirements of the 2010 National EMS Education Standards for Paramedic (www.ems.gov/educationstandards.htm). The EMT-I to Paramedic Program is designed to educate the technician in all areas of pre-hospital patient care. These areas include instruction in: pre-hospital environments, preparatory skills, airway management and ventilation, patient assessment, trauma care, medical patient management, obstetrical/gynecological conditions, pediatric patients, neonatal care, psychiatric and behavioral emergencies, special considerations, and assessment based management.

Starting: Friday March 23, 2018 or Saturday March 24, 2018

Time: 9 a.m. – 6 p.m.

Cost: \$3,500.00 – payment due by March 8, 2018

Maximum of 30 students

Location: Jefferson College of Health Sciences
101 Elm Avenue SE
Roanoke VA 24013
