Registration Information

Registration is required. Deadline for registration is Friday, Oct. 10, 2014.

Carilion Employees:

- » Register via Cornerstone OnDemand (use conference number CE903C).
- » Tuition is paid by Carilion Clinic. A signed payroll deduction form is required to confirm your registration.

Non-Carilion Employees:

- » Fee: \$89 (20 percent discount for groups of five or more). Carilion retirees and VTCSOM or JCHS students: \$25. Includes program syllabus, CMEs or education credits/contact hours, light breakfast, lunch, and afternoon snacks.
- » Credit cards and checks accepted. Make checks payable to Carilion Clinic.
- » Register through Carilion Direct at 540-266-6000 or 800-422-8482.

Cancellation:

The registration/cancellation deadline for all participants is Oct. 10, 2014. A conference fee of \$89 will be charged to Carilion participants who do not attend and have not canceled by Oct. 10, 2014. Non-Carilion participants will not be able to receive a refund after Oct. 10, 2014. Alternatively, registered attendees may designate an appropriate substitute to attend in their place.

Conference Location

The Hotel Roanoke and Conference Center
110 Shenandoah Ave.
Roanoke, VA 24016

Conference will start promptly at 8 a.m. Please allow ample time for parking, as The Hotel Roanoke and Conference Center parking lots fill early. Parking is at your own expense. Self-parking is up to \$8 and valet parking is \$13. Parking is also available in the Gainsboro parking garage and the parking lot across from the Center for Higher Education on Jordan Alley Avenue. Carilion Roanoke Memorial Hospital parking and Star Line Trolley transport is free (closest trolley stop located at City Market building with enclosed walkway to Hotel Roanoke).

For more information, please contact Loretta Hall, M.Ed., Conference Planner/HR Consultant, at 540-985-4094 or lfhall@carilionclinic.org

Conference Objectives

Upon participation in this activity, attendees will be able to:

1. Discuss the components of triage and patient care during a multicasualty incident.
2. Describe current trends in the acute management of spinal cord injuries and rehabilitation.
3. Discuss treatment of traumatic amputations based on recent military experience.
4. Discuss the challenges of managing mass casualties incidents involving blast injuries during a high profile media event.
5. Identify current trends in gang activities and resources available to address the negative impact on communities.
6. Describe post-traumatic stress disorder and local resources for treatment
7. Discuss strategies for improving workplace performance while achieving a positive state of mental health.

AMA PRA Category 1 Credit™

This activity has been planned and implemented in accordance with the Essential Areas and Policies of The Medical Society of Virginia through the joint providership of Carilion Clinic’s CME Program and Carilion Human Resources Training and Development. Carilion Clinic’s CME Program is accredited by The Medical Society of Virginia to provide continuing medical education for physicians. Carilion Clinic’s CME Program designates this live activity for a maximum of 7.25 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Target Audience

Physicians. This includes: trauma surgeons, emergency medical physicians residents, fellows, advanced practice clinicians, nurses, therapists, social workers, and case managers who initially receive, assess, stabilize and assist in managing injured patients. This focused training augments training received in the Advanced Trauma Life Support Course and the Trauma Nurse Core Curriculum as well as trauma focused symposiums and conferences that participants may attend outside the region.

Other Health Care Providers: registered nurses, nurse practitioners, and physician assistants who work in Trauma Medicine, respiratory, physical, occupational, and speech and rehab therapists. EMS personnel. Students from various healthcare specialties.
