## URGENT MEDICAL DEVICE RECALL NOTIFICATION

### EZ-IO® 45mm (40kg & Up) Needle Set

March 31, 2014

To: Vidacare Corporation Customer

Vidacare has issued a voluntary recall for the EZ-IO® 45mm (40kg & Up) Needle Set part number 9079-VC-005, lot code 3606455. This voluntary recall is due to the needle set not meeting its specifications. Vidacare has not received any information indicating that the non-conformance with specifications will cause harm to patients.

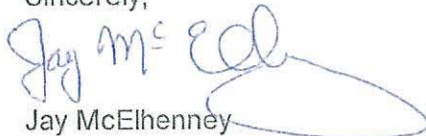

Shipment of this product was from March 19, 2014 through March 21, 2014. Our records indicate that you have received product that is subject to this voluntary recall. We are now notifying our customers to take the following immediate actions:

1. If you have affected stock, immediately discontinue use and quarantine any product with the part number and lot number as identified above.
2. To return product, complete the enclosed Medical Device Recall Acknowledgement and Return Response Form and fax it to 1-866-431-6194, Attn: Customer Service. This will allow us to document the amount of product you have on hand for return. A customer service representative will contact you with a Return Goods Authorization (RGA) Number and will provide instructions for the return of product to Vidacare Corporation and to facilitate a replacement product if one has not already been provided.
3. If you have already used the affected stock, please complete the enclosed Medical Device Recall Acknowledgement and Return Response Form and fax it to 1-866-431-6194, Attn: Customer Service. This will allow us to document your receipt of this letter.

The U.S. Food and Drug Administration has been notified of this action.

Vidacare Corporation is committed to providing high quality, safe and effective products. We sincerely apologize for any inconvenience this action may cause your operations. If you have any other questions, feel free to contact your local sales representative or Customer Service at 1-866-479-8500.

Sincerely,

Jay McElhenney  
Vice President, Manufacturing & Quality  
Enclosure
